2017 playing conditions

2 pts awarded for a win, 1 pt each for a draw, 0 pts for a loss

Order of play will be based on handicaps with the 1 and 2 spot being interchangeable and likewise for spots 3 and 4.

ByLaw 5 is to be interpreted for ICB in that if a team has insufficient players (only 2 or 3) on the night, then one player may double up and play a second game on the same handicaps and subject to the order of play noted above and that player can only do this once per round of 5 matches.

The best player on the night by handicap cannot play twice (unless there are 2 or more players on the same lowest handicap).

BOTH captains must email scanned completed forms to results@wdsnooker.org.au by the following Monday
